GOVERNMENT OF MYSORE.

OFFICE OF THE REVENUE COMMISSIONER IN MYSORE.

No. P-L A-52/48. Dated, Bangalore, 8th J u n e 1949.

To

Sri B.T. Kempanna, B.A., B.L.,
Secretary to the Government
of His Highness the Maharaja of Mysore,
Development Department,
B a n g a l o r e.

Sir,

Subject:- Continuance of the Civil Liaison and other Establishments connected with Military Work in -- the Revenue Commissioner's Office, Bangalore and Kolar Districts -

I have the honour to invite reference to Government Order No. W.963-64 dated 18th March 1949 and Government Order No. 8518-9/C.B.24-48-19 dated 3-5-1949 sanctioning the continuance of the above Establishments till the end of June 1949 and directing that the entire Establishment be disbanded from the end of the official year.

I enclose herewith copy of D.O. No.Mily. 265/48-49 dated 1-6-1949 from the Civil Officer, Bangalore, detailing the items and volume of - - Civil Liaison and Military Work still remaining to be done and stressing the necessity for the continuance of certain minimum staff for a - - - further period of at least one year from 1-7-1949. It appears from the report of the Civil Officer that there are still 17 Military Camps involving an extent of 5,925 acres 16 guntas of agricultural lands belonging to 72 different villages and lying in the ~~Units~~ limits of (1) Bangalore North, (2) Bangalore

Bangalore South, (3) Hoskote, (4) Devanahalli and (5) Nelamangala Taluks and involving the payment of an annual recurring compensation of - - - - - - Rs.1,30,570-3-2 in the occupation of Military -- Authorities. These lands have not yet been - - derequisitioned. In addition to the above, the two important Field Firing Ranges at Bidadi and Rajankunte are still being used by the Military Authorities and the evacuation charges and - - - compensation for damages, if any, will have to be recovered from the Military Authorities and - - arranged to be paid to the parties. The correspondence relating to the Military Vehicle Accidents continue to be heavy. It is also reported that a large number of R.I.A.F. Personnel have arrived and occupied the Hospital Town Area and fresh Brigades are coming and occupying the Camp Areas round about Bangalore for training purposes. In connection with the proposed shifting of the - Head Quarters of the Southern Command from Poona to Bangalore, it is ascertained that proposals -- for requisitioning a large extent of land in the Bangalore District, are likely to be received - - shortly and that the areas required have already been inspected jointly by the Military Authorities and the Civil Officers. The Military Authorities have recently asked for an extent of 5,000 acres of agricultural land round about Bangalore for the establishment of several Air Force Ground Training Schools. All this will involve frequent inspections and measurements by the Revenue Staff.

The lands and Hiring Officer personally apprised this Office during his visits for discussion of certain Liaison matters that any reduction of the Staff would aggravate the delay in attending to references connected with Military Department and desired that -- certain Survey and Executive Staff was absolutely necessary for a further period of one year as it is likely that certain plots have to be inspected and got measured quickly in connection with a few fresh Projects.

There is also some amount of residual work to be attended to in the Surplus Stores Section in as much as a sum of Rs.2,27,836/- still remains to be collected from several Departments to whom camp assets were supplied inclusive of centage and further centage -- charges aggregating to Rs.21,758/- are still outstanding against some of the Departments for stores procured.

I have carefully examined the work -- remaining to be done in all the Sections -- relating to the Military Work and also the requisitions of the Sub Area Authorities and find that a complete disbandment of the Civil Liaison and other Staff, would very seriously impair the efficiency of work connected with Military matters which is of an urgent nature and give rise to complaints from the Military Authorities. It may also involve delay and inconvenience to the Public in the settlement of their claims. Having this in view, I find

find it is very necessary to continue certain Ministerial Staff for a further period of ~~one~~ six months till the end of December 1949 ~~year from the end of official year 1949~~. - -

I enclose herewith a statement showing the Staff as it existed on 1-1-1949 in the - - - several Sections of my Office connected with Military Work as also that of the Civil Officers Bangalore and Kolar Districts and that proposed to be continued. It will be seen therefrom that against an expenditure of - - Rs.2,362/- per mensem incurred on the Staff on 1-1-1949 only an expenditure of Rs.908/- per mensem is proposed to be incurred which is about a third of the cost as on 1-1-1949 resulting in a substantial saving of Rupees 1,454/- per mensem.

I may also incidentally mention in this connection that quite a large sum of money aggregating to Rs.2,17,934-8-0 in the shape of centage has already been collected and a sum of Rs.50,237-11-0 still remains to be collected and this will more than - - cover any expenditure that may have to be incurred on this minimum necessary Staff.

In the circumstances, I request that sanction of Government may be kindly - - - obtained to the continuance of the marginally noted Staff for a further period of - - ~~one year~~ six months from 1st July 1949.

(continued in the next Page).

Statements showing (1) the Camps still under the control of the Military Authorities, (2) Centage recoveries made and to be made - and (3) arrears of outstandings in the Surplus Stores and Surplus Stores Disposals Section - are enclosed for favour of information.

Yours faithfully,

Revenue Commissioner.
